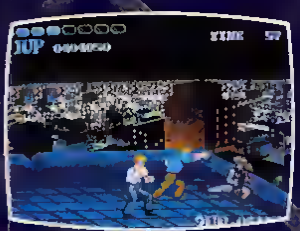
OF VIDEO ENTERTAINMENT!



TOUGH TURF

TOUGH TURF is the first SUNSOFT original to use the powerful 16-B Hardware System. And you can be sure it won't be our last.

Add it all up and TOUGH TURF has everything you could want in a kit.

- 2 Player simultaneous.
- Add a coin (Buy in) feature at any time.
- 8 extensive challenging levels.
- State of the art graphics.

Most of all, this game is never the same each time it's played. That means you can count on a steady earnings curve from your locations.
